They seem to play this card only if one have hardly no old ugly Bot (m48 Card) that eg. touches food, on t1... they say that a suicide death bot was transferd to your was to throw this food away. I guess this is trigger poor people or homeless people. The tim of this cyber-attack would then maybe attack the son that transfered that malware (m50 Card). Often sort of Malware spreads to your whole existence and to many of the scenes and objects you own. I heard they money or spent last money to red cross for water in syria. One buys food with last money, and then they activate a The bad thing is, if you then would eat this fooc malware eg. on womans underpants would be activated. The only workaround Inventor: xxxxx
